SUGGESTIONS FOR A PLANTING PARTY

National Food Magazine Says Winchester Woman Wins a Prize.

Mrs. Sarah Miller has upheld the famed hospitality of Winchester by carrying off a prize in the Entertainment Suggestions Contest in the current issue of the National Food Magazine published in Chicago. If Mrs. Miller's knowledge of entertainments is representative of her city and we believe it is, it is no wonder that this city is famous for its merriment, the diversity of its hostesses and the novelty and attractiveness of its entertainments. Mrs. Miller's prize was won with a contribution entitled "A Planting Party." That others of Winchester may profit by Mrs. Miller's knowledge of entertainment suggestion, her prize winning contribution is reprinted by special permission of the National Food Magazine. It is as follows:

"Send out your invitations, 'From 2 to 6, for all who love flower planting.' Have the house decorated with pot plants. When the guests have all arrived, have your aids pass around paper with the pencils attached, and the list of questions written with space for answers.

1. Plant a kitten and what will grow? Pussy-Willow.
2. Plant a bag of flour and what will grow? Dusty Miller.
3. Plant a sunrise and what will grow? Morning Glory.
4. Plant Cupid's arrow and what will grow? Bleeding Hearts.
5. Plant a box of candy and what will grow? Buttercups.
6. Plant day, months and year and what will grow? Thyme.
7. Plant your boy John and what will grow? Johnny-jump-ups.
8. Plant a kiss and what will grow? Tulips.
10. Plant Christmas eve and what will grow? Star of Bethlehem.
11. Plant an hour of the afternoon and what will grow? Four o'clock.
12. Plant orange blossoms and what will grow? Bridal wreath.
13. Plant a preacher and what will grow? Jack-in-the-pulpit.
14. Plant the king of beasts and what will grow? Dandelion.
15. Plant grief and what will grow? Weeping Willow.
16. Plant immortality and what will grow? Life-everlasting.

17. Plant the Stars and Stripes and what will grow? Flags.
18. Plant what poor noblemen try always to do and what will grow? Marigold.
19. Plant a pretty girl's cheek and what will grow? Pink.

"When all have finished, the winner received a potted plant. Then have luncheon, have your ices served in small candy flower pots, 2½ inches, and a flower placed in each pot as though growing; cakes decorated with candy flowers, and in the center of table a 'growing while you wait' lettuce bed. Prepare your seed by soaking in alcohol over night, fix a fancy box or fern dish in a flower bed on the table and fill with loam and quick-lime (three inches), in twenty minutes (after you water well) the little leaves will show through, before the luncheon is over will be as large as half dollars and you can pluck and eat them, when the last course will be this 'Fairy Salad.'"

In the Entertainment Suggestions Contest conducted by the National Food Magazine, thousands of contributions from all parts of the United States and Canada are submitted each month and out of these only five prizes are awarded—hence the importance of the honor that has been bestowed upon the Winchester lady through her victory in this strenuous competition.

[Editor's Note—The News does not know Mrs. Miller and has been unable to find her; but the entertainment proposed is so unique that it is worthy of reproduction.]

OPERA HOUSE

New York's latest and greatest success "The Devil" is known to every newspaper reader in the country and it is with much pleasure that manager Dinelli of the opera house announces that he will present that great success here on Tuesday, December 15. "The Devil" is an adaptation of Franz Molnar's Continental success, "The Devil" (Der Teufel) which has been the rage of Europe for the past year and teaches a story never before seen on any stage. No play of the past century has caused the newspapers to devote as much space to it as this one has, the newspapers of the largest cities in the country devoting pages to discussing it. The production seen here will be an exact duplicate of that now running in New York still doing capacity business after almost a full season there. The announcement of the sale of seats

Wealth and Dishonesty.
If dishonesty always brought riches fewer candidates would consider it worth while to bid for the votes of the plain people.

You Cannot Answer These Questions!

- 1—Why do you continue bathing your knees and elbows one at a time, when you can stretch out in a full bath tempered to suit you, and can do so every morning if you wish?
- 2—Why pump and carry water for your kitchen and laundry work when you can have it at hand for the turning of a faucet?
- 3—Why take chances on drinking germ-filled cistern water when you can get it from a large reservoir filtered through the best filter plant South of the Ohio River?

- 4—Why have a dry, dismal-looking yard when you can have it filled with green grass and blooming flowers, and can at the same time get rid of the dust in the street?

- 5—Why suffer other inconveniences when you can have everything for the comfort and health of your family right in the house?

- 6—Is it not true that the answer is not "lack of money," but lack of economy and enterprise and indifference to getting the most out of life?
